

Project Demo Planning

Date	15 July 2026
Team ID	
Project Name	Book A Doctor
Maximum Marks	1 Mark

Project Demo Planning:

A well-structured demo plan ensures that the team presents the project effectively, covering all key aspects in a clear and organized manner. This document outlines the plan for demonstrating the project, including the flow of the demo, key features to highlight, and responsibilities of each team member.

S.No	Demo Section	Description	Duration (mins)	Responsible Member
1	Introduction	Briefly introduce the project, team, and objectives.	3	Team Lead
2	Problem Statement	Explain patient pain points (waiting times, manual booking, poor communication).	3	Member 1
3	Solution Overview	Present the Book A Doctor system architecture and modules.	4	Member 2
4	Live Feature Demonstration	Show registration, login, doctor search, booking, reminders, payments, and admin dashboard.	10	Member 3
5	Pending Features	Highlight upcoming features (multi-language support, telemedicine).	2	Member 4
6	Conclusion	Summarize benefits, impact, and future scope.	3	Team Lead

Demo Flow Summary:

Step	Activity	Notes
1	Introduction & Problem Statement	Set context by explaining healthcare booking challenges.
2	Solution Overview	Show how the system solves these issues with online booking, reminders, and payments.
3	Live Feature Demonstration	Walk through patient registration, booking flow, notifications, and admin dashboard.
4	Q&A Session	Address stakeholder questions and feedback.
